Tips:

- If you are traveling from Washington or the Northeast, you will arrive at the Summit in the late afternoon or early evening. This is very different than Fort A.P. Hill which was less than 2 hours from Washington, DC.
- Due to limited access to the new site (a single entry point for the 1,000 buses arriving for Jamboree), the check in process can take 2-3 hours.
- Federal DOT regulations stipulate that your driver can only work a set number of hours per day so plan accordingly and arrive as early as possible.
- Budget extra hours of bus time into your charter quote to avoid being hit with surcharges due to traffic delays near the Summit.
