HIGH ADVENTURE

Colorado

Day 1

- Arrive in Denver by 11:00 AM and rendezvous with your Blue Sky Adventures tour guide. We will be waiting for you and will get you underway as soon as possible. With your Blue Sky Adventures water bottle in hand, it's time to get acclimated!
- Your guide will be with you all day to make sure everything is fun and happens as planned. The guide will bring Colorado "alive" with stories of local legends, history and culture. This is the difference maker on a Blue Sky Adventure.
- Lunch - A Scout is Hungry! We will have a bag lunch waiting for you on the vehicle. This gives you the flexibility to overcome potential travel delays and helps ensure ample time for sightseeing on your arrival day.
- We are on our way to Morrison, Colorado just west of Denver to visit the world famous Red Rocks Park and Amphitheatre.
- If you think Red Rocks Park is just a beautiful place to see a concert, think again! Around you are 868 acres of deer, fossils, pines and prairie, geological wonders and spectacular vistas. At 6,450 feet above sea level, Red Rocks Park is a terrific place to begin your acclimation!
- We will hike the 1.5 loop trail and explore the Red Rocks Amphitheatre. This is a geological phenomenon! The only naturally occurring, acoustically perfect amphitheatre in the world. From Sting and The Beatles, to opera stars and U2, every artist aspires to play on this magical, spiritual and emotional stage.
- Guided tour of the United States Air Force Academy. See one of the most visited sites in the United States, the Academy Chapel, and learn about the significance of its design.
- Walk beneath the only mounted B-52 bomber in the world!
- Time for a break with snacks and cold drinks for all!
- Check in to the beautiful Marriott Hotel in Colorado Springs where there's lots to do. Indoor & outdoor pool, gift shop, business center, fitness room, basketball, ping pong, corn hole, and more!

- Spend the afternoon poolside or play basketball with your crew and other Scouts from all over the country--this is some Scout trip!
- Dinner at the hotel is good food and lots of it! An "all you can eat", Scout friendly buffet!

Day 2

- Hot, all you can eat full breakfast buffet - eggs, sausage, fresh fruit and more!
- Take a ride up the world famous Pikes Peak Highway Relax and watch in wonder as you climb to 14,115 feet above sea level to the summit of America's favorite mountain - Pikes Peak. Your trip will take you through four life zones from lush high plains to fragile alpine tundra. You'll pass cascading streams as you wind through a steep canyon of gigantic boulders and tall pines towards your destination well above tree line. It's possible to see four states, the snow-covered peaks of the Continental Divide, the cities of Denver, Manitou Springs, Colorado Springs and the historic gold camps of Cripple Creek and Victor. You'll enjoy fantastic rock formations, spectacular vistas and breathtaking cliffs!
- At the summit, participate in an optional 20-minute hike at over 14,000 feet. Not only will you see tremendous views, but this is a great way to help your body get acclimated for Philmont!
- Enjoy a delicious lunch!
- Hold on tight for whitewater rafting on the "Royal Gorge" section of the Arkansas River, the premier whitewater rafting experience in the Southwest. It doesn't get any better than this!
- Western style cookout dinner at our rafting outfitter. Laughter and great food...What a way to end the day!
