- Early morning rendezvous with your Blue Sky Adventures tour guide at the hotel. Your tour guide will be with you all day to make sure everything is fun and happens as it is supposed to and will bring New Mexico "alive" with stories of local legends, history and culture. Your tour guide is the difference maker on a Blue Sky tour compared to anything you can do yourself!
- Depart hotel and head out to Tent Rocks and experience Kasha-Katuwe Tent Rocks National Monument located on the Cochiti Pueblo, home of the Cochiti Indian tribe. You will hike through a slot canyon surrounded by cone shaped volcanic formations that resemble tee pee tents and other spectacular geological formations. - Trip to the top of Sandia Peak; a breath-taking ride on the world's longest aerial cable car to the 11,000-foot mountain peak.
- At the summit of Sandia Peak, we will hike about a mile along the mountain ridge to the "Stone Hut" built in the 1930's by the Civilian Conservation Corps. This is a fantastic hike with unparalleled vistas of the Rio Grande Valley and it provides a great way to quickly acclimate to the affects of higher elevations. What a great way to help get ready for the rigors of your Philmont trek!
