## ULTIMATE ADVENTURE

Colorado

### Day 1

- Arrive in Denver by 11:00 AM and rendezvous with your Blue Sky Adventures tour guide. We will be waiting for you and will get you underway as soon as possible. With your Blue Sky Adventures water bottle in hand, it's time to get acclimated!

- Your guide will be with you all day to make sure everything is fun and happens as planned. The guide will bring Colorado "alive" with stories of local legends, history and culture. This is the difference maker on a Blue Sky Adventure.

- Lunch - A Scout is Hungry! We will have a bag lunch waiting for you on the vehicle. This gives you the flexibility to overcome potential travel delays and helps ensure ample time for sightseeing on your arrival day.

- We are on our way to Morrison, Colorado just west of Denver to visit the world-famous Red Rocks Park and Amphitheatre.

- If you think Red Rocks Park is just a beautiful place to see a concert, think again! Around you are 868 acres of deer, fossils, pines and prairie, geological wonders and spectacular vistas. At 6,450 feet above sea level, Red Rocks Park is a terrific place to begin your acclimation!

- We will hike the 1.5 loop trail and explore the Red Rocks Amphitheatre. This is a geological phenomenon! The only naturally occurring, acoustically perfect amphitheatre in the world. From Sting and The Beatles, to opera stars and U2, every artist aspires to play on this magical, spiritual and emotional stage.
- Guided tour of the United States Air Force Academy. See one of the most visited sites in the United States, the Academy Chapel, and learn about the significance of its design.

- Walk beneath the only mounted B-52 bomber in the world!
- Time for a break with snacks and cold drinks for all!
- Check in to the beautiful Great Wolf Lodge in Colorado Springs where there's lots to do. Indoor pools, water park, arcades, mini golf, bowling alley, climbing wall, a ropes course and much more!
